HORSE THEF SENT TO STATE PRISON

Many Prisoners in Criminal Superior Court Plead Guilty
and Get Jail Sentences—Koski Boy Placed on Pro-
bation—Grand Jury Busy with Lyme Murder Case.

When the criminal superior court
came on Tuesday morning at
ten o'clock, prayer was offered by
Rev. Dr. Lewellyn Pratt, court being
opened by Deputy Sheriff Draper.

The court was informed by State's
Attorney H. A. Hull that a grand jury
was in attendance and he ordered them
into court. They were sworn in by
Clerk Parsons, after which they were
addressed by Judge Ralph Wheeler,
who explained the difference between
the offense of murder and manslaughter.

The first case called for trial was
that of Albert J. Koski, charged with
theft of a horse. The defendant, who
was represented by his father, pleaded
guilty. He was sentenced to the state
prison for a term of three years.

August Mehroba, charged with in-
sulting a police officer, pleaded guilty.
This concluded the business of the
afternoon and court was adjourned at
4.30 until this morning at 10 o'clock,
when it is expected more changes of
pleas will be ready.

The post jury held in attendance
this morning, ready for the trial of
cases, those summoned being Lewis
Chubb, R. H. Fillmore, G. L. H. H.
Norwich, Appleton, Preston, J. F.
Richardson, and others.

There were many prisoners in the
court room Tuesday morning, and the
room back of the clerk's desk is
entirely occupied. Several of the
prisoners who were sentenced were
taken to New London Tuesday after-
noon.

New Docket Much Appreciated.
Clerk G. E. Parsons has issued the
docket for the term in new form, being
drawn up by the clerk of the court
of the civil court which was recently arranged
by him. It is of a size which fits a
pocket, with the number of the case
in black type and a space allowed
under each case to permit of the court
and court officials making a record of
the cases and their disposition.

Many Pleas of Not Guilty.
The court was then occupied with
the taking of pleas and 22 were put
before the court and said not guilty.
Among them were Frederick Edwards
and Charles Chapman and Joseph For-
syth, charged with burglary in Water-
bury; James Adams, charged with
burglary in Groton; Patrick Curran,
charged with attempt to kill and mur-
der in New London in January, 1908;
Ezra Math, charged with breach of
peace in Old Lyme; Philip Weyant,
charged with indecent assault on a
young girl in New London; John
Forbes, charged with larceny in New
London; George Fontana, charged with
larceny in New London; Daniel
Keller, charged with burglary at the
market here; George Tomlinson, for
criminal assault in Groton.

Court then took a recess until the
afternoon session, which opened short-
ly before three o'clock.

Quaganta and Macol Plead Not Guilty.
The case of Daniel and Joseph Plead
Smith on the dock at the request of
Judge Wheeler at the request of State's
Attorney Hull. They are charged with
criminally assaulting a woman.

James Quaganta of East Lyme was
charged with assault with intent to
kill and murder by shooting Thomas
Carroll, alias "Red," on Oct. 11 of last
year. He pleaded not guilty. Ralph
Devito acted as interpreter in this and
the following case.

On the charge of assault with intent
to kill and murder, Rebecca Macol, alias
Henry Macol, pleaded not guilty. He
was charged with the murder of John
Bartley, alias "Red," on Oct. 12, 1908, in
East Lyme. He pleaded not guilty.

Koski Given to Probation Officer.
William Koski, aged 19, charged with
entering Mrs. Robinson's bakery on
Oct. 15, pleaded guilty.

Miss Gertrude L. Woodmansee, the
United Workmen's Robinson would
prefer he would not be punished any
more. He was given to the probation
officer. His father is an invalid and his
mother has a hard time. He was
giving a dollar a day at the Falls mill
and was discharged because he did not
get advanced, broke away and left. He
was out of work and resorted to a pool
table. He has been in jail over two
months already. Mr. Thresher sug-
gested he be put in care of the probation
officer.

Mr. Hull said he wouldn't want to
do anything to prevent the boy from
reforming and thought it would be well
to put him in care of the probation
officer.

Three Months for Theft.
On the charge of theft of a silver
watch valued at \$5 from William Dim-
mock in New London Sept. 17, Elmer
Newton pleaded guilty.

His brother of Worcester told of
Elmer living in South Woodstock. He
said his brother was not in liquor. He
never knew of his being arrested except for
intoxication. He was arrested in Sep-
tember.

State's Attorney Hull said both the
accused and Mr. Dimmock had been
drinking but did not consider there
should be more than a jail sentence.

Judge Wheeler said that the charge
is one which can command a state
prison sentence, but owing to the cir-
cumstances gave a sentence of three
months in jail.

Connell Given Six Months.
John Connell, aged 42, charged with
breaking into a cobbler's shop in New
London Oct. 7, pleaded guilty.

State's Attorney Hull said he is an
unfortunate man and has been in state
prison. His difficulty is drink. He
recommended a jail sentence. The
court told the judge he would stop
drinking and was given six months in
jail.

Good Advice and Four Months.
Bartholomew Smith, charged with
breaking into Clark C. Cook's in Gro-
ton Dec. 7 and taking some tools, was
pleaded guilty. Attorney J. D. Hall
pleaded for him and said that he was
under the influence of liquor when his
break was made. He is 28.

Shea said he was born in William-
stown and worked in the mill until
three years ago. He moved to Groton
and worked in the mill and on a farm.
Judge Wheeler gave him some good
advice and warned him to stop drink-
ing. He sentenced him to four months
in jail.

George Green, Edward Thompson
and James Brown were charged with
stealing from the person of Thomas
Spaulding in Preston Sept. 12, 1908, and
pleaded guilty.

Attorney Gardner said Green denies
having anything to do with the case,
but Thompson says he took the mirror
and razor but not the pocketbook.

To learn more of the case from wit-
nesses, the matter was continued until
today.

King Sent to State Prison.
Walter King, charged with stealing a
horse of S. C. Avery in New London
Dec. 1, pleaded guilty.

Attorney Connor stated that he was a
married man of East Greenwich, R.

Fermentation and Undigested Food

YOU CAN RID YOURSELF
OF STOMACH TROUBLE

MAKES YOU FEEL FINE

Your Druggist Has a Preparation
Called Diapiesin Which Will Cure
You Before You Realize It.

Some people think they have indiges-
tion, others Catarrh of the Stomach,
others Nervousness, Cancer or
Dyspepsia, etc. Call it what you will
but the real name for your trouble is
Food Fermentation, with only partial
digestion. Everything you eat turns
into gas, indigestion, acid heartburn,
loss of appetite, pressure and fullness
after eating, burning sensation, a feel-
ing of vomiting, heartburn, water
brash and tenderness in the pit of the
stomach, slimy tongue, bad taste in
the mouth, constipation, nausea, belch-
ing of gas, distress, lack of health,
mental depression and many other com-
mon symptoms.

You can cure all this by not eating,
by not putting any food in your stom-
ach to ferment; but how about the
nourishment needed to sustain your
body strength? If you are a stom-
ach sufferer, either man or woman,
young or old, whether you call it indiges-
tion or any other name, go now to
your druggist and get 50 cents for a
case of Diapiesin.

Every possible kind of Stomach
trouble is readily cured by Diapiesin,
which takes right hold of the food in
your stomach and digests it alone
without the help of the stomach, just
as your stomach wouldn't there.

After a few doses of Diapiesin your
Stomach will again be in good
working order, your meals will thor-
oughly digest, your bowels will be
clean and fresh, and you will have
no use for laxatives or liver regu-
lators.
